

With Lori Howard

Thanks for your interest in having Lori speak at your upcoming webinar, teleseminar, radio show or live event!

Lori's business focuses on providing pragmatic strategies to help women and men who want to avoid career burnout to figure out the work they'd love to do, that they'd be great at, feel proud of, and still pay for all their stuff!

Below is a list of Lori's most-requested signature talks:

5 Signs Your Career Is Stealing Your Soul (and how to take it back)

We spend more of our waking hours at work than with our family and friends. Yet we spend very little time thinking about how to enjoy our job.

Many people struggle to answer the question, "How can I win the battle against career burnout, and find a job and career I love that also provides me financial security?"

- Learn the 5 signs your career is stealing your soul, which when ignored can lead to burnout
- Discover the Biggest Mistakes people make when dealing with burnout, so that you can avoid them
- What are the keys to being truly happy at work and thriving in your career to reclaim a happy life, with a job you love, that allows you to earn the money you desire

Join us to learn all this and more, as Lori shares her practical strategies to help you transform your career by honoring who you are and leveraging the experience you have.

Help! I Don't Know What I Want to Be When I Grow Up (for Grownups)

In these days of economic instability and a super competitive job market, it is more important than ever to know what jobs and careers are the best fit for you. It is critical to know who you are and what you offer any employer.

- Discover a fresh perspective on your current job situation
- Learn a clear strategy to figure out what you really want to be and do
- Identify the actions you can take immediately to move toward a career that fits you

"Discover the work you'd love to do that you'd be great at, feel proud of, and will pay for all your stuff!"

– Lori Howard, Career Identity Coach

- You can stop the struggle to find the right career for you, and discover the right jobs that enable you to thrive.
- Find confidence to create a career you love!

Join us for a fun and informative time where you will learn all this and more. Lori is known for her pragmatic strategies and practical tools to unearth your worth, love your job, and thrive in your career.

Overcoming Obstacles to Employment for Over-40

You are over 40, and bring with you a wealth of experience, knowledge, and skills to the workplace. The problem is you are over 40, and in today's job market, you risk being perceived as old, out-of-date, or worse.

- Learn the mistakes people make when applying for jobs that trigger the negative perceptions and judgments
- Discover how to present yourself as passionate, energetic and engaged
- Take control of your job search so that managers stop judging your age, and instead appreciate you and what you offer

Lori is known for her pragmatic strategies that get results in the current job market. She will be sharing lots of "implement now" how-tos designed to help you get and keep the job you want!
